Dear Simon and Ffion,

Apologies for not using your original sheet but I ruined it! Sue and I have just returned from your fantastic holiday home in Labrador Drive and thoroughly enjoyed being there - we would love to come back to it in '09. So many nice touches and unbelievable views. Your understanding of what "the holiday maker" requires shows in the highly respectable standards of your property and I sincerely hope that all who stay there will treat it with deserved respect!!

How we found you? Easily.
